

CANADA

PRIME MINISTER · PREMIER MINISTRE

I am pleased to extend my warmest greetings to everyone attending the first home game of the Sunchild Bisons, Canada's first and only First Nations high school football team.

The physical well-being of our youth is critical to our nation's continued progress. I commend the parents, staff and coaches at the Sunchild First Nation School for making healthy competition and physical activity an integral part of their community.

Team sports help build confidence, self-esteem, and a sense of belonging. I congratulate the members of the Bisons team for your hard work and commitment to making a First Nations high school football team a reality. In years to come, you will look back on this season with fond memories and pride in your accomplishments.

On behalf of the Government of Canada, I offer my best wishes for a memorable game, as well as for every success in the future.
