# Sunchild Community Health Centre News

Hope everyone had a wonderful January.....it went so quickly and it is hard to believe that we are turning the page on the calendar to February!

We are starting our newsletter with information pertinent to the beginning of every month....Cordelia Bigchild and Doris Lagrelle have been doing a great job with the GOOD FOOD BOX. They have been grocery shopping to provide community members with great value for their money. This month they request that people submit their money by February 4th for pick-up of the food box on February 7th.

**Tuesday** Programming has been organized for the month -

**February 5th** - Gary Beresford from the ambulance will be discussing "choking" and how to effectively deal with it. This is a situation most parents have to deal with, and it's always comforting to know that you are doing the right things. He will come @ 10:30 and we hope to have a small lunch following. Also a good opportunity to ask other questions you may have.

**February 12th** - Cordelia Bigchild from the Maternal Child program will be hosting a "Relationship Bingo" It is a typical bingo with fun & prizes but includes some thought provoking comments of some behaviors of relationships. We have enjoyed this bingo before, so some of you are familiar with some of the topics. It is planned to start at 1pm with a small snack provided.

**February 19th** - Is a surprise still in the planning stages, so call the Health Centre later in the month to get information about this Tuesday.

**February 26th** - Is a Parenting Session. Melissa and Patty from McMan will be coming to discuss Negative Behaviors. They usually come around 10:30 and following the presentation we hope to be able to supply a light lunch.

**Immunization** - We are still offering Flu Immunization for those of you who had missed out so far.

Regular immunization continues to be offered Tuesday & Wednesday. We are hoping to get into the school to finish up the Grade 5 series and complete the Grade 9 immunization. We are still waiting on some records from students new to the school so if you have just moved, please call us with the name of previous clinics attended so we can request those records.

**Dental Hygienist** - Jo-Anne, our dental therapist has indicated that she will be in community Feb. 6th & 20th. from 10am to 3pm. This is a Wednesday so if you require immunization, both can be done in one visit.

February brings to mind VALENTINES DAY - an opportunity to acknowledge the special people in our

# Sunchild School

Educating our children with parental involvement and community support.

Dear Parents / Guardians and Community Members:

Over the winter, Sunchild School, with the support of Chief and Council have put forward a grant application through the First Nations Development Fund for a new community playground located at Sunchild School. We are excited to announce that come late spring the construction of a new playground will start.

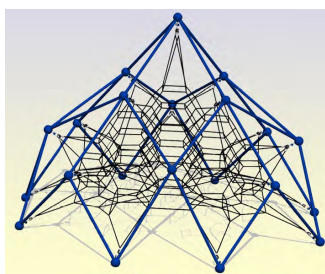

Lots of planning lays ahead and the school is looking for your input! There are currently six playground designs submitted by four manufacturers. These designs will be posted in the elementary pit on Thursday February 7th. Parents and community members are encouraged to cast a ballot for their favorite playground design. Your involvement in this project would be greatly appreciated.

## **Playground Open House In Conjunction with Parent Teacher Interviews**

### **Thursday February 7th 11:40 to 5:00**

Come and view the six playground designs provided by four different playground manufacturers.

Have your say on which playground design would be best for the community by voting for your favorite design. Playground designs and ballots can be found in the elementary pit.
